Products and Services Descriptions

Teacherâ€™s Discovery has been in the business of providing wacky, current educational tools and goodies for over 40 years. We started out selling T-shirts, and now we sell anything a teacher could want and need. Your classroom is your corner of the world, and we want to help make it as fun and interesting as possible. We deploy all over the world to pack your classroom with current culture, from international destinations such as China and Mexico to locations closer to home such as Hollywood and local high school classrooms. We may not have to call celebrities to provide sound recordings of Hamlet or tour Diego Riveraâ€™s original murals in Mexico to create a traveling exhibit, but weâ€™re committed to giving you the best products possible. Since your students may not get the chance to go to these places or meet these people, we do everything we can to pack these interesting, real-world experiences into our products. We want your students to experience Spanish, French, German, English, Science and Social Studies as much as you do. Teaching is never â€œbusiness as usual,â€• so we give you cutting-edge, eye-opening teaching tools. In the end, teachers are candid people who know their own minds. We are always looking for your feedback and ideas. Send them in! Send us your thoughts by email, snail mail, telephone, airplane, pizza box or passenger pigeon. We treasure your input and are proud to work with you. While many of our products are teacher-created, every single one is tested, evaluated and approved by educational soldiers working in the field. Our success is built on your involvement, and we appreciate your passion for education. Your enthusiasm shows through in the products you help us create. Thank you!

Founded in 1949, Camcor has always made customer service and satisfaction our number one priority. Camcor strives to do business by the Golden Rule; we treat our customers as we would like to be treated. We want our customers to have a satisfying experience in a friendly and professional atmosphere.

Camcor, Inc. offers thousands of audio-visual, photographic, digital imaging, and technology solutions. Our experience and stability allow us to provide outstanding customer service and technical know-how. In addition, our associates receive ongoing training and manufacturer support, which allow us to stay updated on fast changing products and technology. We are happy to assist and educate customers on the solutions we provide. We work closely with manufacturer and supplier partners to ensure we present the best solutions, value, and quick delivery to our customers.

Products and Services Descriptions

Carnegie Learning's™ Texas-approved mathematics solutions for Grades 6 – Algebra II are the culmination of 20 years'™ experience, research and innovation. Our solutions stand apart for strengthening student conceptual understanding of mathematics by integrating rich engaging math content, adaptive learning technologies, ongoing formative assessments, and actionable reports that drive better math instruction. Carnegie Learning also provides empowering support to all stakeholders to ensure implementations go smoothly, teachers have the tools and resources to be successful, and student learning is immediate.

At its core, our instructional approach is based on three simple, yet critical components.

Engage: Our materials draw students in, activating their prior knowledge and experiences, presenting real-world examples, and facilitating collaborative classroom activities that generate curiosity and plant the seeds for deeper learning.

Develop: We offer rigorous and challenging opportunities for group and independent learning, helping teachers identify where an individual student needs additional support and how best to adjust instruction to make progress and build confidence.

Demonstrate: Students are expected to bring it all together and show what they know. Ongoing formative assessment underlies the entire learning experience, driving real-time adjustments, insights, and measurements in a way that is invisible to the student.

In order to achieve these goals Carnegie Learning's™ solutions include the following product offerings and essential components.

MATHia software, Carnegie Learning's highly adaptive, one-to-one tutoring platform that helps students master skills, fill gaps, and accelerate learning.

Middle and High School Worktexts complete with high level, accessible tasks proven to meet the needs of a variety of learners.

A robust professional learning and personnel support plan that is designed to grow professional learning communities, build teacher content knowledge and model best practice in mathematics.

Actionable data that informs instruction and determines small group intervention focus.

Together the elements of the Carnegie Learning solution will provide your students with a transformed math experience that is research proven to be highly effective when implemented with fidelity.

Publisher of library and trade children's books.

Cherry Lake Publishing and Sleeping Bear Press have come together as one company to provide quality and relevant content for schools and libraries. By engaging students in lasting and meaningful ways, our print and electronic resources help drive student achievement and performance and prepare them for life in the 21st Century. Cherry Lake Publishing books align with today's academic standards, focus on key 21st Century skills, and develop critical thinking skills through inquiry-based learning.

Â

Sleeping Bear Press has impressed young readers, parents, and librarians with high-quality picture books and middle grade novels. We are proud to publish so many award-winning titles by creative and talented authors and illustrators. Our goal is to provide books that enrich the lives of students by engaging them in stories that create a love of learning.

Failure Free Reading is a research based and a scientifically validated blended learning methodology. that specializes in teaching non-readers to read. Failure Free Reading works extremely fast. Clients see dramatic reading improvement from the very first lessons making it perfect for: K-12 institutions, Special Education, ID, LD, Autistic, English Language Learners (ELL/ESL,) incarcerated adults, adjudicated youth, work force re-entry, immigrants, and foreign nationals who have never experienced English reading success. Failure Free Reading provides instructional materials, online or CDROM software, and professional development/training to serve these unique populations of students. Failure Free Reading's methodology uses teacher led scripted instruction, computer reinforcement and testing, along with pencil and paper independent or small group activities. Failure Free Reading is compatible with all software platforms - new and old - from flash-based to the new HTML 5 web standards found in Mac, Android, PC desktop, Chomrebooks, iPads, tablets and mobile devices (smart phones.) Established in 1988, Failure Free Reading has obtained over 2 million hours of instruction serving clients across the world in public and private sectors. Its unique instructional software comes with English, Spanish and Sign Language directions. Failure Free Reading has 9 published studies in national and international journals, is listed in the What Works Clearinghouse, Florida Center on Reading Research, National Center on Intensive Intervention's Tools Chart and the National Dropout Prevention Center/Network.

2 Vocational Supplies, Equipment & Service

Products and Services Descriptions

For 30 years, KAMICO Instructional Media, Inc. has provided Texas school districts with teaching supplies and instructional materials for K-12 core subject areas, including mathematics, science, social studies, reading, and writing. All KAMICO's expansive product line provides educators with the tools necessary to ensure student mastery of state curriculum standards and success on state assessments. These tools are used by educators across Texas to assess the academic strengths and weaknesses of students, assist students in mastering curriculum standards, build students' test-taking endurance, develop students' test-taking skills, and relieve students' test-taking anxiety.

Products and Services Descriptions

Lakeshore Learning Materials is an industry leader in the field of early childhood and elementary instructional materials. Every year, we release our Early Childhood and Elementary Catalogs, which are both packed full of exclusive materials designed by our own in-house product developers. Lakeshore is dedicated to creating innovative educational materials that spark young imaginations, instill a sense of wonder and foster a lifelong love of learning. With materials for infants & toddlers through the 6th grade, we help children reach developmental milestones and achieve educational goals while still having fun! We know that each child is unique, and we strive to develop materials that appeal to children of all interests, backgrounds and abilities. And, of course, all of the products we carry must meet stringent quality & safety standards so they are strong enough for daily use in the classroom and safe enough for use by babies and children.

Our company carries any percussion item that you might need to fulfill your performance requirements. We carry drum sets, marching instruments, world percussion instruments, orchestral percussion, and we also include audio and P.A. gear. We stock literally thousands of mallets, sticks, heads and assorted sheet music along with any gear accessories needed. We bring in world-class players to give on-site clinics in every area of percussion, and we offer private lessons for drum set, keyboard, and marching percussion students. We also have keyboard rentals available as required for students. We have over a dozen music education degrees, more than 40 collective years of DCI experience as players and staff, and nearly two centuries of experience as gigging percussionists and drummers.

We are offering an additional 5% discount as part of our proposal for the Region 18 ESC Purchasing Cooperative for 2016-2017 school year. eBooks, online databases, digital audio/video and audio/video devices are excluded from this additional discount but are available at standard Mackin.com prices.

Products and Services Categories:

- 1 Library Materials & Supplies
- 2 School Supplies (Instructional, Supplies, Instructional Equipment, STAAR-/TEKS Materials, Textbooks, etc.)

Products and Services Descriptions

Mackin is a one-source acquisition service providing more than 2.5 million titles from over 18,000 different publishers through one continuously updated online catalog: www.mackin.com. Mackin provides books in multiple bindings (including publisher library, trade hardcover, paperback, and MackinBound prebound) as well as nonprint materials such as DVDs, Blu-ray, audio and music CDs and MP3s. Digital resources have become a mainstay in education and our free school-centric e-resources management system, MackinVIA, provides easy, convenient access to all your digital materials. With over 1.5 million eBooks, 150+ online educational databases, more than 40,000 digital audiobooks and dozens of digital videos available from Mackin, we are properly equipped to assist your schools with digital solutions.

Products and Services Descriptions

Values You have our commitment to provide great customer service as we build high quality products that delight your community. Customer Service still comes first, after 14 years. PTI has more than 14 years of experience in the outdoor playground and recreation industry. We credit our growing list of happy customers to our relentless promise to listen to customer needs. We are flexible, and work with you to design playgrounds and outdoor equipment that meets your needs. From start to timely completion, we'll pay attention to the details that matter to you before and after equipment installation. Quality We want you to take as much pride in the quality workmanship of your finished products as we do. Quality equipment ensures everyone has the best experience on your playground or athletic facility, and it also reduces your long-term costs. PTI provides the finest athletic surfacing, area shades and playground equipment on the market. Safety We believe there is no room for compromise in the safety of your playground or recreation spaces. PTI is an expert in the most current safety standards and will ensure your designs and equipment meet or exceed all regulations. The design, installation and maintenance of your equipment is always done in a rigorous way that will protect the safety of your children or athletes. From age-appropriate design, to proper fall surfacing, to protection from the sun and correct maintenance, ask us how PTI makes your equipment safe. Community A play to play. A place to be part of a team. A place to share experiences and build relationships that matter most. PTI knows the spaces we build are not only for you but also for your community. We design our equipment with inclusive play and use in mind. As lifelong Americans and Texans, we are proud to help you make your neighborhood a better place.

Products and Services Descriptions

Since 2001, PTM Document Systems has been the exclusive source for our Print to Mail[™] systems used in schools, school districts, hospitals, clinics and businesses. The Print to Mail[™] Accessory is the inexpensive folder/sealer that dominates distributed office mailing applications. Our affordable stand-alone units range from smaller units perfect for low volume, distributed processing, to high speed units for large scale centralized processing.

Our experienced Sales Consultants will help you match the correct Print to Mail[™] system to your operational requirements and budget. As a full service company, we offer a complete system: the Print to Mail[™] machine, Print to Mail[™] documents, formatting software, CASS certification software and after sale support. PTM Document Systems has all the resources to ensure a successful installation.
